

# Polysmart Learning

## Update / Reassessment for PMBWELD301B Butt weld polyethylene pipelines and PMBWELD302B Electrofusion weld polyethylene pipelines

### Benefits of the Polysmart Computer based Learning package

- Economical
- Ability to do the theory component at your own pace
- Minimal staff down time approximately 1.5-2 hours per unit
- Theory assessment can be completed anywhere that you have email available
- Simple annual reassessment
- Nationally recognised certificate
- Wallet sized card with photo I.D. and National welder number
- Welder I.D. stamp (Butt weld only)

Polysmart's computer based learning resource package comprises of approximately 60 slides and many video media clips throughout.

The interactive theoretical assessment contains a over 30 question multiple choice assessment.

### Companies and individuals

Costs: per person, per unit.

Computer based Learning resource and theoretical assessment package (update) [Please contact FHS](#)

Annual theoretical reassessment

[Please contact FHS](#)
